SPE / Untapped Energy Datathon Competition | Event Rules

1. **Team Size:** Teams should have at least 2 people and no more than 7 people on their team.
2. **No Plagiarizing:** Plagiarizing is not acceptable. Learning from existing resources online and using open-sourced code is acceptable.
3. **Frameworks:** You can only use open-source frameworks or frameworks provided by the sponsors of the Datathon competition.
4. **Open Source:** The workflow, codes, and presentations prepared as part of the Datathon will be released as open source.
5. **Intellectual Property:** SPE Calgary Section, Untapped Energy, and Datathon sponsors make no claim over intellectual property generated during the event.
6. **Data:** Participants will have to agree to data sponsors rules and may be required to sign an NDA before accessing the data.
7. **Social Media Disclosure:** By taking part in the event, you agree to allow SPE Calgary Section and the Datathon committee to include mention of your participation in the event, and to appear in photos and video of the event. Personal information will not be made public without individual consent.
8. **Rules:** Organizing committee reserve the right to change the rules at any time.
